

Pet Parade Information

There is no pre-registration necessary for your child and pet to participate in the Spring Ho Pet Parade; however, you must bring proof of your pet's rabies vaccine. The tag on the pet is **not** enough, so please bring the rabies certificate to prove that the pet's vaccine is current.

Pet Parade Registration will be at 8:30 am Friday, July 9th, at the corner of Second and Live Oak Street. Judging and Parade will follow.

Please remember that no motorized carts or hooved animals are allowed in the Pet Parade.
